

ValidatorInterface

```
classDiagram
    class ValidatorInterface
    class ServiceValidator["Infrastructure\\Common\\Validators\\ServiceValidator"]
    ServiceValidator ..|> ValidatorInterface
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'ValidatorInterface'. Below it is a box labeled 'Infrastructure\\Common\\Validators\\ServiceValidator'. A dashed purple arrow points from the bottom box up to the top box, indicating that 'ServiceValidator' implements 'ValidatorInterface'. To the right of the arrow, the text '\$validator' is written in a light gray font.

Infrastructure\\Common  
\\Validators\\ServiceValidator

\$validator
